

Safe On-site Battery Storage and Charging

**Protected GPO for
each Locker**

**Easy-to-use
Lockers**

Redefining on-site battery storage and charging. The Mobile Charge Pod offers a safe haven for your power products, providing a simple and organised solution for contractors and tradespeople. With 6 easy-to-use lockers accommodating various tool and battery types, it's design crafted by and for Tier 1 Contractors that will relieve stress from equipment loss and battery downtime. Lightweight yet robust, it surpasses metal lockers, with forklift pockets for transportation convenience.
